WORKFLOW SUMMARY

Step 1: The applicant opens the Loan Application Form in Zoho Creator.

Step 2: The applicant enters personal information, contact details, loan requirements, and consent information.

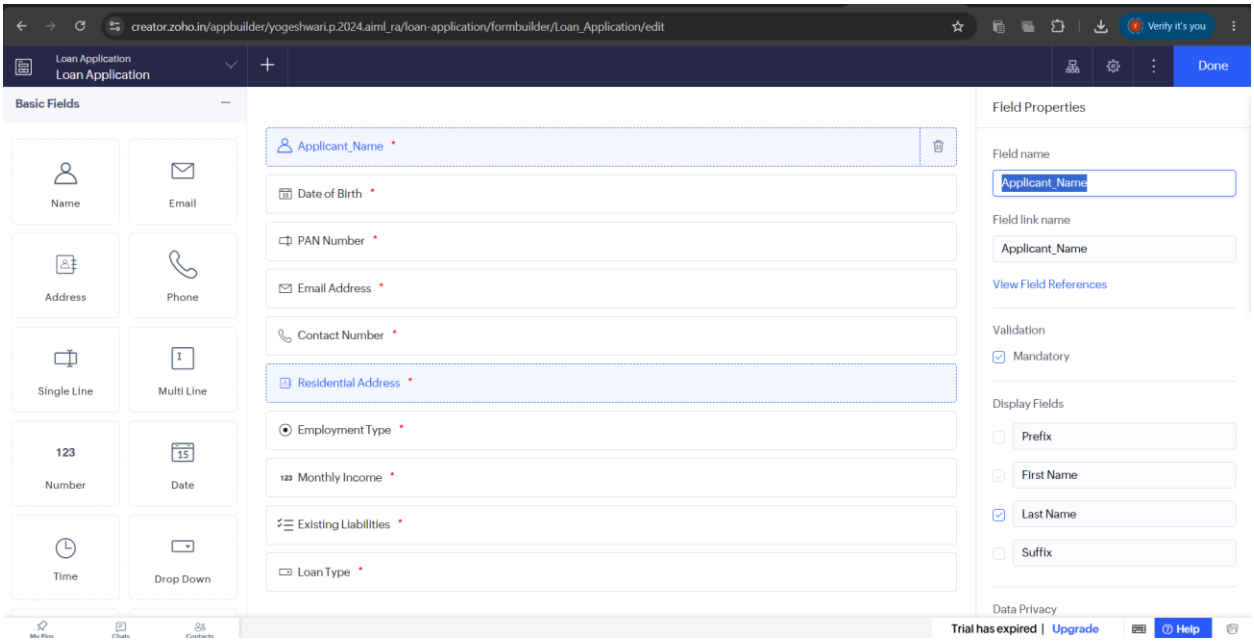

Step 3: On clicking Submit, Zoho Creator validates the mandatory fields and input formats.

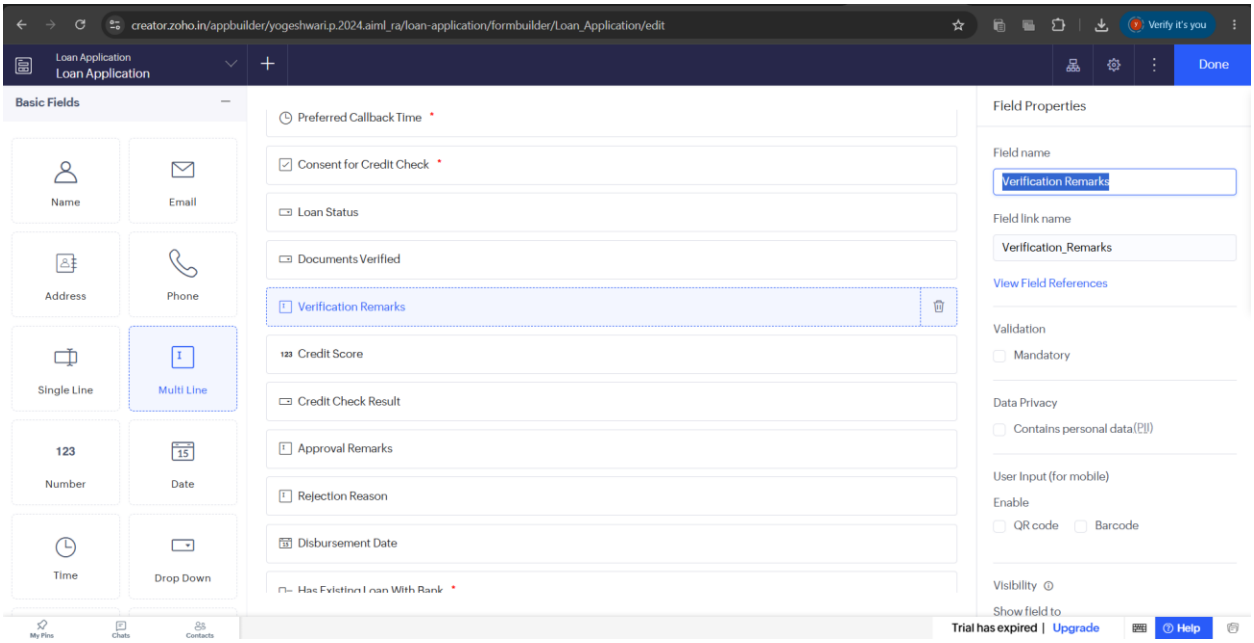

Step 4: A new loan application record is created in the All Loan Applications report.

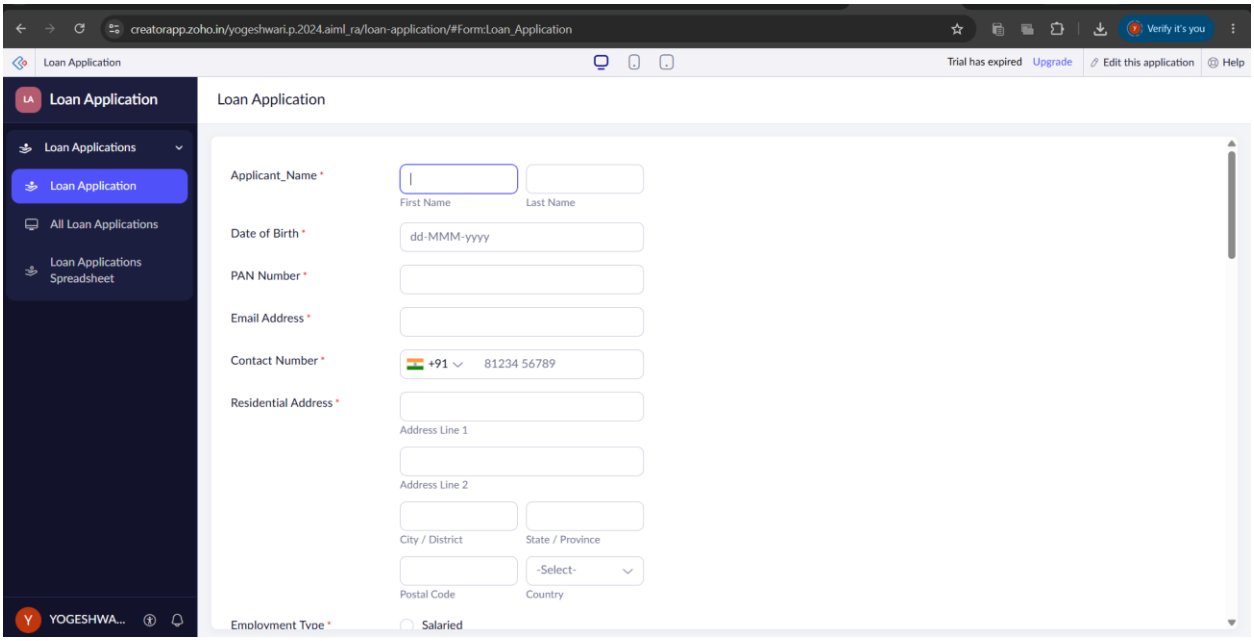

Step 5: The application is made available for review and verification by the authorized Loan Officer.

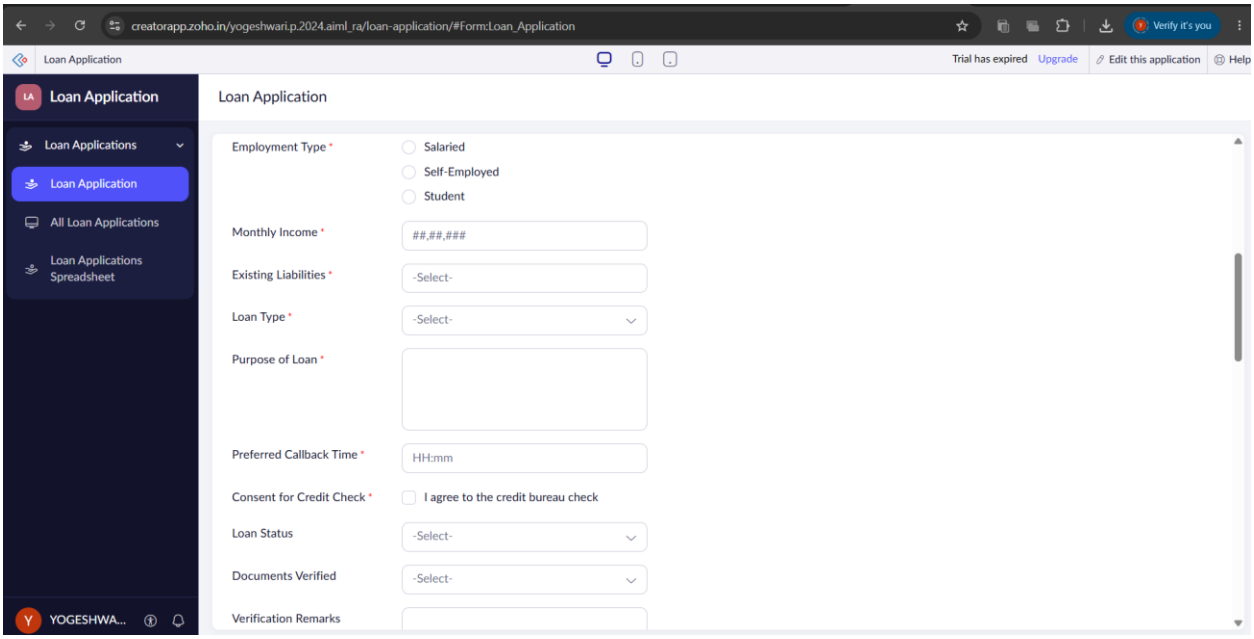

Step 6: The Loan Officer reviews applicant information, checks the submitted details, and updates the application status as appropriate.

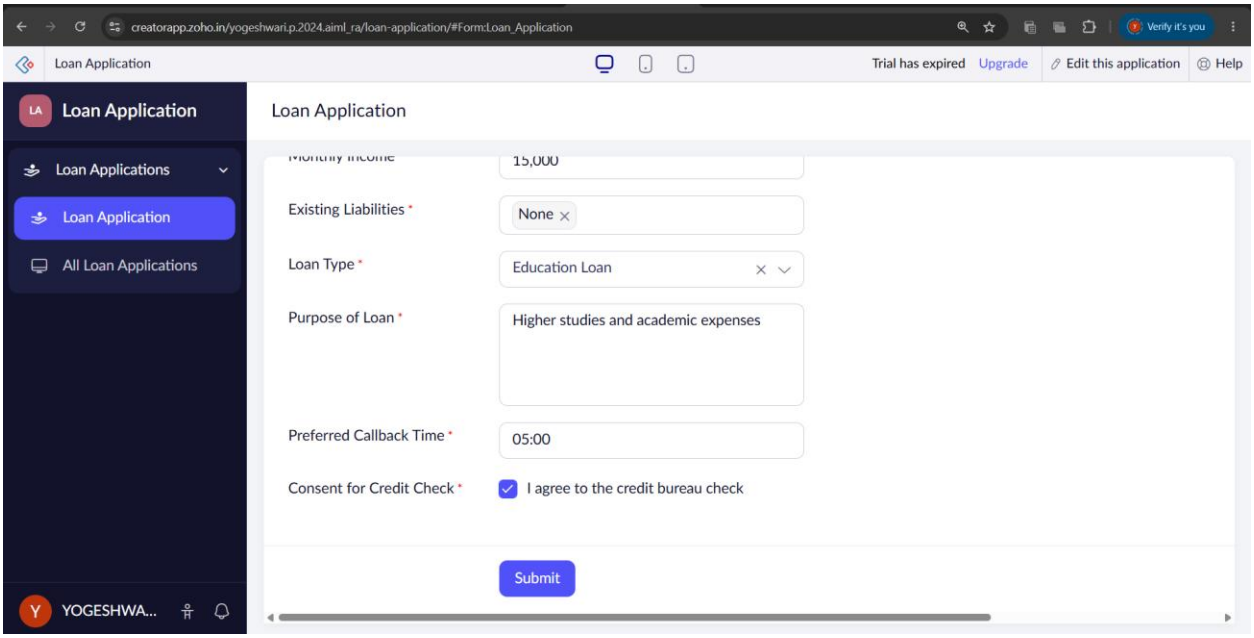

Step 7: The application can be tracked using the loan application reports.

RESULT

The Loan Application Form was designed in Zoho Creator using the required Basic Fields. The form enables applicants to submit their personal, contact, and loan request details in a structured manner. Submitted records are stored in the All Loan Applications report for authorized staff to review and process.
